**Amos O’Neal, Candidate for State Representative in the 95th District, Makes Statement about the U.S. Supreme Court’s ruling on the Deferred Action for Childhood Arrivals (DACA).**

(Saginaw, Michigan). “The American Dream is a guiding light to people all over the world. In seeking that dream, sometimes children are caught in the middle of geopolitics over immigration and law. Dreamers are those children — they grew up believing they were citizens. They grew up American.

The Supreme Court decision today is another shining light of freedom and hope for hard-working, contributing citizens who need a path to permanent citizenship. Our Dreamers are our neighbors, our co-workers and our friends.

Today, I applaud the Supreme Court’s opinion that DACA is not a program that can be terminated on a whim because it affects the lives of over 800,000 people in our country and nearly 14,000 residents in the State of Michigan. We can do better to find a way to count Dreamers as American citizens.”
