

**Michigan Education Association and the American Federation of Teachers
Endorse Amos O'Neal for State Representative 95th District ahead of Primary**

O'Neal's list of supporters continues to grow for State Representative run in 95th District

(Saginaw, Michigan) - Amos O'Neal, Saginaw County Commissioner and candidate for the 95th District of the Michigan House of Representatives, announced today that the Michigan Education Association and the American Federation of Teachers endorsed his candidacy today for the 95th District.

Tammy Daenzer, MEA UniServ Director

"I am pleased to share that the MEA Screening & Recommending Committee, comprised of MEA members who live or work within the District, voted to recommend Amos O'Neal to HD95. We believe Amos will proactively advocate for public education, and we look forward to working with him after the election."

David Hecker, President of the AFT Michigan, agreed with this assessment of Amos O'Neal's candidacy.

O'Neal stated "I am grateful for the endorsement by both the Michigan Education Association and the American Federation of Teachers. They both represent hundreds of teachers in our public schools in the 95th District. My late wife Sherry taught special education in the Saginaw Public School District for 15 years and loved helping her students shine and succeed.

I have seen firsthand the challenges facing our public schools: teachers spending their own personal resources to help their students, the large size of the classrooms, all the while public funding has been eroding. I will work on behalf of all of our public school districts in the 95th District to secure the necessary resources so that all of our children will succeed."
